

CONSENT FOR ACCESS TO PROPERTY

Property: Lots 001.2-02-19.0, 074.-03-03.1, 074.-03-03.2, 074.-03-05.0, and 086.-02-17.0 along the northern bank of Ley Creek and within Ley Creek

Onondaga Lake Site, Lower Ley Creek Subsite

Name: Onondaga County

Onondaga County ("the County"), acting by its undersigned authorized representative, consents to officers, employees, and authorized representatives of the United States Environmental Protection Agency ("EPA") entering and having continued access to the above-described property (the "Property") for the following purposes:

- 1) taking of soil, water, container, and building material samples as determined to be necessary by EPA;
- 2) sampling of any solids or liquids stored in or disposed of at the Site; and
- 3) undertaking of any other response action EPA deems necessary in order to protect public health and the environment.

The County is aware that these actions are being undertaken by EPA pursuant to EPA's response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. § 9601, *et seq.*

The County is owner of the Property or is authorized to grant access on behalf of the owner, or otherwise has the authority to grant access to the Property for the purposes described above.

I understand that EPA has requested that its contractor add the County as an additional insured under its insurance policies providing coverage applicable to work to be performed by the contractor on the Property, provided however, that neither EPA nor its contractor is expected to incur any expense in connection with procuring such third-party insurance coverage, and provided further that this Consent For Access to Property is not subject to the procurement of such third-party coverage.

This written permission is given by the County voluntarily with knowledge of its right to refuse and without threats or promises of any kind.
